TAYLOR'S UNIVERSITY

Established since 1969, we are a world-class university which has provided our students with a global-standard education experience through our well-equipped campus, up-to-date facilities, strong industry linkages and partnerships with leading universities worldwide.

Students can enrol in foundation, diploma, degree, postgraduate and professional programmes encompassing various fields, such as American Degree Transfer Program, Architecture, Biomedical Science, Biotechnology, Business, Communication, Computing & IT, Design, Education, Engineering, Food Science with Nutrition, Hospitality, Tourism & Culinary Arts, Law, Medicine, Pharmacy, Psychology, and Quantity Surveying.

With an alumni of over 70,000 graduates, we continue to play a strong role in developing Malaysia's human resource capital. Our strong network of alumni have become leaders in their respective fields throughout the country, and around the world.

TAYLOR'S BUSINESS SCHOOL

Established in 1993, Taylor's Business School is one of the largest private business schools offering a full range of Foundation to Postgraduate business programmes. Taylor's Business School is committed to producing world-ready business leaders capable of excelling in the dynamic and competitive world markets. An institutional member of AACSB, the school has a strong and committed focus, investing in faculty, research and students in ways calculated to build distinctive areas of programmatic strength within and across schools. Being reputed for multiple awards and accolades, it is recognized by industry as pivotal in producing world-ready graduates as well as entrepreneurs.

The School is actively supported by industry partners, entrepreneurs and professional bodies which gives an edge to the business education in Taylor's Business School. With a 100 strong faculty and over 3000 students both local and international, Taylor's Business School is poised to become a premier business school in the region, which will advance the knowledge in teaching and research in business.

GAIN AN EDGE IN FINANCE THROUGH IN-DEPTH APPLIED KNOWLEDGE AND TRAINING

With a Master in Finance, you'll gain comprehensive training and highly marketable skills towards a privileged position in the finance industry. The course provides a solid understanding of financial management principles and their application to corporate financial policy, as well as financial markets. The Master in Finance also focuses on equipping you with the appropriate skills for analysing and interpreting developments in financial practice.

The programme aims to enhance graduate capabilities through:

- Extensive applications of finance theory
- Detailed knowledge of the operations and activities of financial markets
- A practical and career-oriented programme
- Enhanced knowledge of financial management principles and application to corporate financial policy
- A thorough understanding of financial markets
- An applied knowledge of various specialised aspects of the finance industry

The Master in Finance will normally be completed in 1 year of full-time study or 1.5 years of part-time study. Our Master in Finance is designed to provide students with the flexibility of working full-time and the ability to complete a postgraduate qualification without disrupting their current employment.

Who should apply?

Open to those interested to pursue a career in the finance industry. Graduates with the Master in Finance will have the capabilities to work in professional practice by applying the skills and specialised financial knowledge as mentioned in the aims of the programme.

IS THE MASTER IN FINANCE RIGHT FOR ME?

With the Master in Finance qualification, a whole new world of opportunities and career options are now open to you. From career positions within investment banking, asset management, private wealth management, corporate banking, venture capital and private equity, you will now possess the in-depth knowledge and skills to get ahead in various sectors of the financial industry.

TESTIMONIALS

Sanggari Toppeh
American Express

“

Class schedules are very conducive for working professionals. As a full time working professional, I was able to complete the Master in Finance after working hours. This benefits both full time and part time students.

”

Lim Tze Yit
Shomedice Sdn Bhd

“

Taylor's Business School's Master in Finance programme provided me with a better understanding of the financial world and the duration of the programme suits my need.

”

Priya Terumalay

FCPA (Aust.), Country Head – Malaysia, CPA Australia

“

CPA Australia's rich tapestry with the faculty and students of Taylor's University goes back over 20 years and has evolved from simple support of student activities to more structured engagements that include supporting the university's curriculum and ongoing support through the university's student charter. We share in the pride of Taylor's all-rounded graduates' contributing to various aspects of nation building.

”

Collin LK Swee

*Director - Newport Technologies Sdn Bhd,
Board Member 2018-2019 - Entrepreneur Organisation Malaysia,
Co-founder - Projek57*

“

Taylor's University essentially has great facilities and has a good mix of students from different races and countries. Their academics are motivated and embrace new ideas whereas the programmes embrace holistic values.

My impression of Taylor's students are bright, independent and are passionate to support a cause they believe in. I would hire Taylor's students based on my experience working on recent projects with them. Taylor's has laid the right foundation for these students in building the skills needed and has resulted in inquisitive, inspiring and motivated students.

”
